Miracles of the Heart ~Testimonies - to God be the Glory ~

Life-changing. Powerful. Wish everyone could experience this...early in life. Sessions are in-depth and thorough.

If you have tried counseling, seminars, self-help books and have not gotten the results your heart desires, try a week with these mentors. Identifying the hurts of yesteryears and praying through them is what heals those hurts with the help of the Holy Spirit.

God is telling me He is here and He hears my heart's cry

From Our Heart to Yours

As we continue to labor in His fields, we are reminded at this time of year how the fallow ground of the farmer's field must be broken up to get rid of weeds, let the moisture rise and the rain nourish the soil to bring forth an abundant harvest.

At HHM this is accomplished through the Love of our Father God, the Loving atonement and care of Jesus Christ and the gentle mentorship of the Holy Spirit. On our part, much yielding prayer continuously goes forth. We so appreciate all those who are a vital part of the ministry giving and praying for good seeds to be sown, for healthy growth, and an abundant, fruitful harvest in our lives and in the lives of our clients.

Have a wonderful time celebrating the love of Our Lord and Savior Jesus Christ during this Resurrection Season!!!
