Healing of the Heart Ministries

A Ministry of Reconciliation

Healing Hearts and Families

***Keep thy heart with all diligence;
for out of it are the issues of life.***

Proverbs 4:23

Our History

Charles & Diane Breznau

Co-founders/Co-Directors

Our journey of restoration began in 2001 when we embarked on a mission to find true peace and reconciliation in our personal lives and in our marriage. Through the power of Jesus Christ our marriage saw dramatic changes. As the years go by, we grow deeper in love with the Lord and each other.

During the next several years, we studied Biblical counseling and completed our internship through Caring for the Heart Ministries, Colorado Springs, CO.

In 2004, God opened several doors of opportunity to mentor others part-time, thus began **Healing of the Heart Ministries (HHM)**. Our desire to assist others full-time was realized in September 2007, when the HHM office was officially opened.

Our hearts are excited as HHM grows each year. We have mentored hundreds of clients and continually experience the privilege of seeing the Lord heal broken lives, bringing oneness, joy, and hope!

Miracles of the Heart Testimonies

“...Through God’s power....you have transformed our marriage.

We are so indebted to the ministry.

...When God changes a marriage, and when God changes a family,

He can use that family to change the world.”

A grateful couple from Michigan

“Came here with desperation! This (was) our last shot! They walked us through our past.

...They were real people (and) made us feel comfortable at our most vulnerable times. I am changed because of their ministry!”

A rejoicing husband

“You helped me understand/see my strongholds and take them to the Lord, break them, and really allow the Lord to heal my pain.”

An appreciative young woman

**Whom the Son sets free,
is free indeed.
John 8:36**

How HE Works The Walk of Reconciliation

Healing of the Heart Ministries aids in reconciling people to God & one another, *healing broken relationships, restoring marriages & joining families together.*

Almost every call we receive is from an individual or married couple in an emergency state. They may say, **“This is our last ditch effort.”**

It has been our privilege to meet with clients from throughout the U.S. and Canada.

We mentor clients during **week-long** sessions (Monday-Friday). Through this intensive approach, **we see the greatest results.**

Prayer plays an integral part of the entire mentoring week.

As clients discover the root of their issues, they become excited about receiving the restoration God has available to them!
