Miracles of the Heart Testimonies of Gods' Life Changing Power

I knew that in all the years I've been married, there have been several instances where I and or my wife have gone down different paths that have gotten us way out of harmony, trust and a measure of love with each other. Through their deep mentoring process a lot of the paths were made straight or clear again, like reconnecting and hitting a reset on our lives together. I know that only one week is not going to right every wrong in our lives but the most important **issues were dealt with head on and given a clear path to victory for us both.** I felt that anyone can benefit greatly from these sessions if they approach them with a **willing heart** and a desire to get rid of problems that have plagued them.

I feel like when we started this week there was a **dark cloud** over my marriage and **I feel like that has lifted.** I have always been hopeful but today **I know we have hope!** I am so grateful!

From Our Heart to Yours

Dear friends,

No matter how messy life gets we can always find victory in Jesus! Don't let adversity or even the perception of it stop us! We must keep fighting the good fight of faith! Continue praying and warring in the spirit. "Be strong in the Lord and in the power of His might." Eph. 6:10 "For the weapons of our warfare are not carnal but are mighty through God to the pulling down of strongholds."

2Cor.10:4

Remember, Jesus has never lost a battle!
