Harvest of Healing...Harvest of Love To God be the Glory

Wiebke & Kevin Papenfus

Wiebke's story...

These sessions have been LIFE CHANGING! Each and every area of my life was exposed for what it was and what it is now. "My chains are gone, I've been set free!" We have attended many marriage seminars through the years, but had never dealt with all the baggage by inviting Jesus into each area. I felt 100% safe sharing intimate details of my life/our marriage without feeling judged! I came to HHM as a hopeless, angry and bitter wife. I learned to dig deep into my own issues from the past in various areas of my life. God opened my eyes to see how the choices I, my parents and even my grandparents made had influenced and shaped me. The best part was seeing the same happen to my husband. Listening to his story, I

began to see him as a young boy with a wounded heart. I have never felt the intimacy with my husband that I have experienced over the past week.

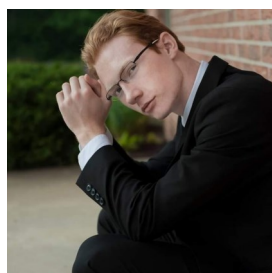

We walk away with Jesus walking between us, holding us together and close by His side!

Kevin's story...

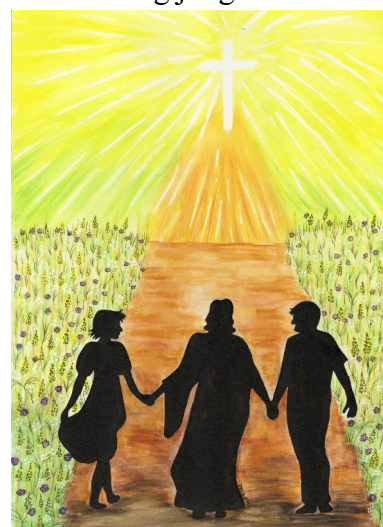

The sessions delve deep and address the root causes of issues. Initially I was apprehensive about coming, but was put at ease with the way the sessions were presented and the expectations of us as a couple. Pleased with the positive outcome and benefit we've seen in five days. I felt relaxed enough to let them know things/experiences no one has ever known. They understood and took me through the healing process with care and love. I have never been able to release the anger and bitterness I felt toward both my father and stepfather. My father caused me to have a disability that affected my childhood and adulthood with feelings of being unwanted and unworthy. When we went through the program and did the prayers to hand it over to God I felt a peace come over me and the anger and vengeful feelings leave me. It has been a wonderful blessing to heal my relationship with my wife and son. I would strongly recommend this program to married couples. God can heal their broken hearts and remove their pain.

Their son's story...

"I've grown a greater appreciation for my parent's relationship. I have been shown the power of what God can do in a marriage."

From Our Heart to Yours

15 Years Full time on Mission!

Hello Friends,

On September 21, 2007 we knelt down in our family room, prayed together and committed to the call of ministry full time together. Trusting the Lord to meet our needs, we had so much to learn! What an exciting journey this has been! We continue to work as stretcher bearers bringing spiritually and emotionally hurting people to Jesus for healing and reconciliation. **Gratefulness fills our hearts for the many clients who have come to us through the years.** You have helped us grow tremendously. We continue to rejoice in the goodness and miraculous, restorative power of the Lord Jesus Christ in the lives of so many willing souls.
