Miracles of the Heart To God be the Glory

This ministry is life changing. I felt total acceptance and absolutely understood! The mentors are sensitive to the real issues. I will be forever grateful to Healing of the Heart. I thought my marriage was hopeless and this was certainly a last ditch effort. I recommend staying the course through the entire week and pray, pray, pray. What a breakthrough, I received *the miracle I had been asking for!* Don't give up!

- Wife testimony

There were some things from my past that I had to deal with before I could see that I was responding out of my own pain by thinking I was under attack. In reality it was my own pride, self-talk and view of life that was clouding my perspective and ruining my marriage. I can honestly say that for the first time in my 52 years *I am free!* Truly free! I thought there was no hope for me or our marriage of nearly 26 years. I came out of the five days of hard work at HHM with a complete paradigm shift. I will NEVER be the same. Thank you for putting up with me.

- Husband testimony
